

# GREEN VALLEY CHRISTIAN ACADEMY

Building the Kingdom of Christ  
One child at a time

# Biblical Mandate

Train up a child in the way he should go: and when he is old, he will not depart from it. Proverbs 22:6

# Mission Statement

Isaiah 40:31, the Bible says *“But those who wait on the Lord Shall renew their strength; They shall mount up with wings like eagles, they shall run and not be weary, they shall walk and not faint.”* As Christians, we strive to implant the Word of God in the hearts of our children so they may one day ask Jesus to be their Lord and Savior. This personal relationship with Jesus is what our children need so they can have both hope and a future! We want them to develop a deep faith that will guide them when making decisions throughout their lives. This faith will give them wings so they can soar into the future with the hope that the Lord Jesus gives us and the promise that He will always be with us!

A bald eagle is shown in flight, its wings spread wide, against a background that transitions from a dark blue at the top to a deep purple at the bottom. The eagle is positioned centrally, with its head turned slightly to the left. The lighting highlights the texture of its feathers, particularly the white head and neck.

DISCOVER, INVESTIGATE, and DECLARE
